Executive Proclamation

State of South Dakota
Office of the Governor

Whereas, The citizens of South Dakota stand firmly committed to quality after school programs and opportunities; and,

Whereas, After school programs provide safe, challenging, engaging, and fun learning experiences to help children and youth develop their social, emotional, physical, cultural, and academic skills. They also provide support for working families by making sure their children are safe and productive after the regular school day ends; and,

Whereas, After school programs build stronger communities by involving students, parents, business leaders, and adult volunteers in the lives of our young people, thereby promoting positive relationships among children, youth, families, and adults, and advance the welfare of our children; and,

Whereas, *Lights On Afterschool,* a national celebration of after school programs, promotes the critical importance of quality after school programs in the lives of children, their families, and their communities; and,

Whereas, South Dakota has provided significant leadership in the area of community involvement in the education and well-being of our youth, grounded in the principle that quality after school programs are essential to helping our children become successful adults:

Now, Therefore, I, Dennis Daugaard, Governor of the state of South Dakota, do hereby proclaim October 26, 2017, as
